Fun Finder X Travel Trailer

Model X-139

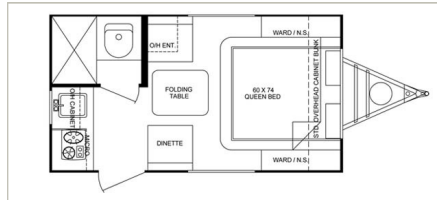

The smallest unit in our Fun Finder X lineup. The X139 sports an amazing dry weight of just 2,213 lbs! While compact, this floorplans still features a full 60"x80" queen bed sleeping space, a full kitchen and a spacious bathroom.

Model X-160

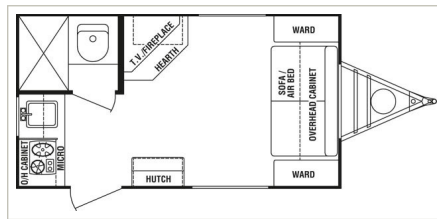

Quite possibly the industry's smallest and lightest weight bunkhouse being produced! Under 2,500 lbs. while sporting a queen size adult sleeping space along with bunk beds, can you say family camping fun!

Model X-160WB

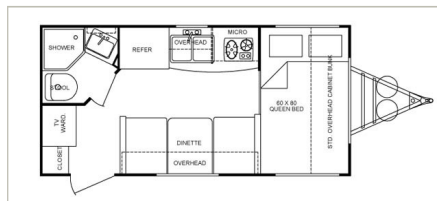

A very unique floorplan. Excellent for couples looking for a weekend getaway, the X-160WB gives you many of the features you'd expect to find in a much larger RV, including a walk around queen bed and a dry bath.

Model X-160FS

A truly unique floorplan! Virtually can be towed by anything at under 2,400 lbs. You must see this one to appreciate it, the FS features a front sofa that doubles as a queen air bed and a fireplace with hearth.

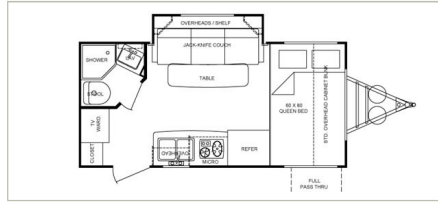

Model X-189FBR

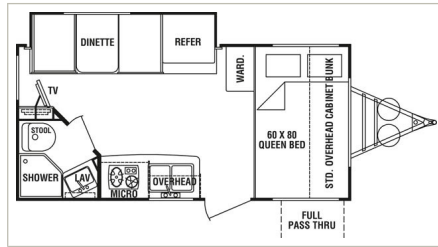

This is the floorplan that put Fun Finder on the map! The original 18'9" long, 7' wide low-profile lightweight. The X189FBR has everything you need for weekend camping, including a permanent queen bed, a couples dinette, an overhead cabinet/bunk and a spacious and functional bathroom.

Model X-189FBS

The number #1 selling Fun Finder X floorplan year after year! Often copied but never duplicated, the X-189FBS is the perfect size for small crossover tow vehicles and mini-vans. You can enjoy a comfortable night's sleep on the queen-size bed and relax on the sofa in the slide-out.

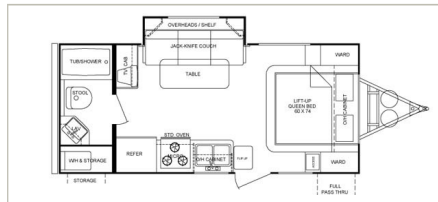

Model X-189FDS

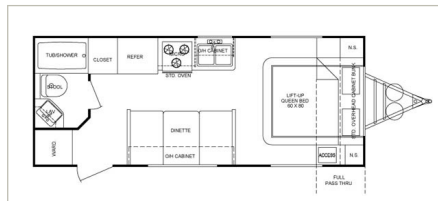

The newest of the 189 series, the X-189FDS is the ideal 'couples coach'. You'll be amazed by the roominess of this floorplan, due to the combination dinette and refrigerator slideout, and you'll truly appreciate the full pass through exterior storage.

Model X-210WBS

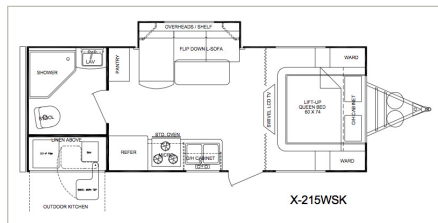

Another one of our most popular models in the Fun Finder X lineup. A nice step-up from 189's, the X210WBS is 7'6" wide and features a walkaround queen bed and large bathroom with tub, all while still being under 22' and 3,500 lbs!

Model X-210

Year after year another top selling Fun Finder X floorplan. For those desiring a spacious interior, large bathroom and a walk around queen bed without any slideouts, the X-210 is for you.

Model X-215WSK

New for 2010! An amazing new floorplan featuring an outdoor camping kitchen. The outdoor kitchen sports a swing out 2-burner cook-top, 4.6 cu. ft. refrigerator, grill hook-up, LCD TV hook-up, sink, countertop space and storage cabinets. Inside you'll find an exclusive L-sofa slideout, walk around queen bed with a swivel TV cabinet and a huge bathroom. All this under 25' and 4,000 lbs!
